TO THE GRADUATES OF 1960

The school year 1959-60 has been another successful one. It has marked another forward step toward the perfection of a well-rounded program which is so designed as to meet the needs of all the students.

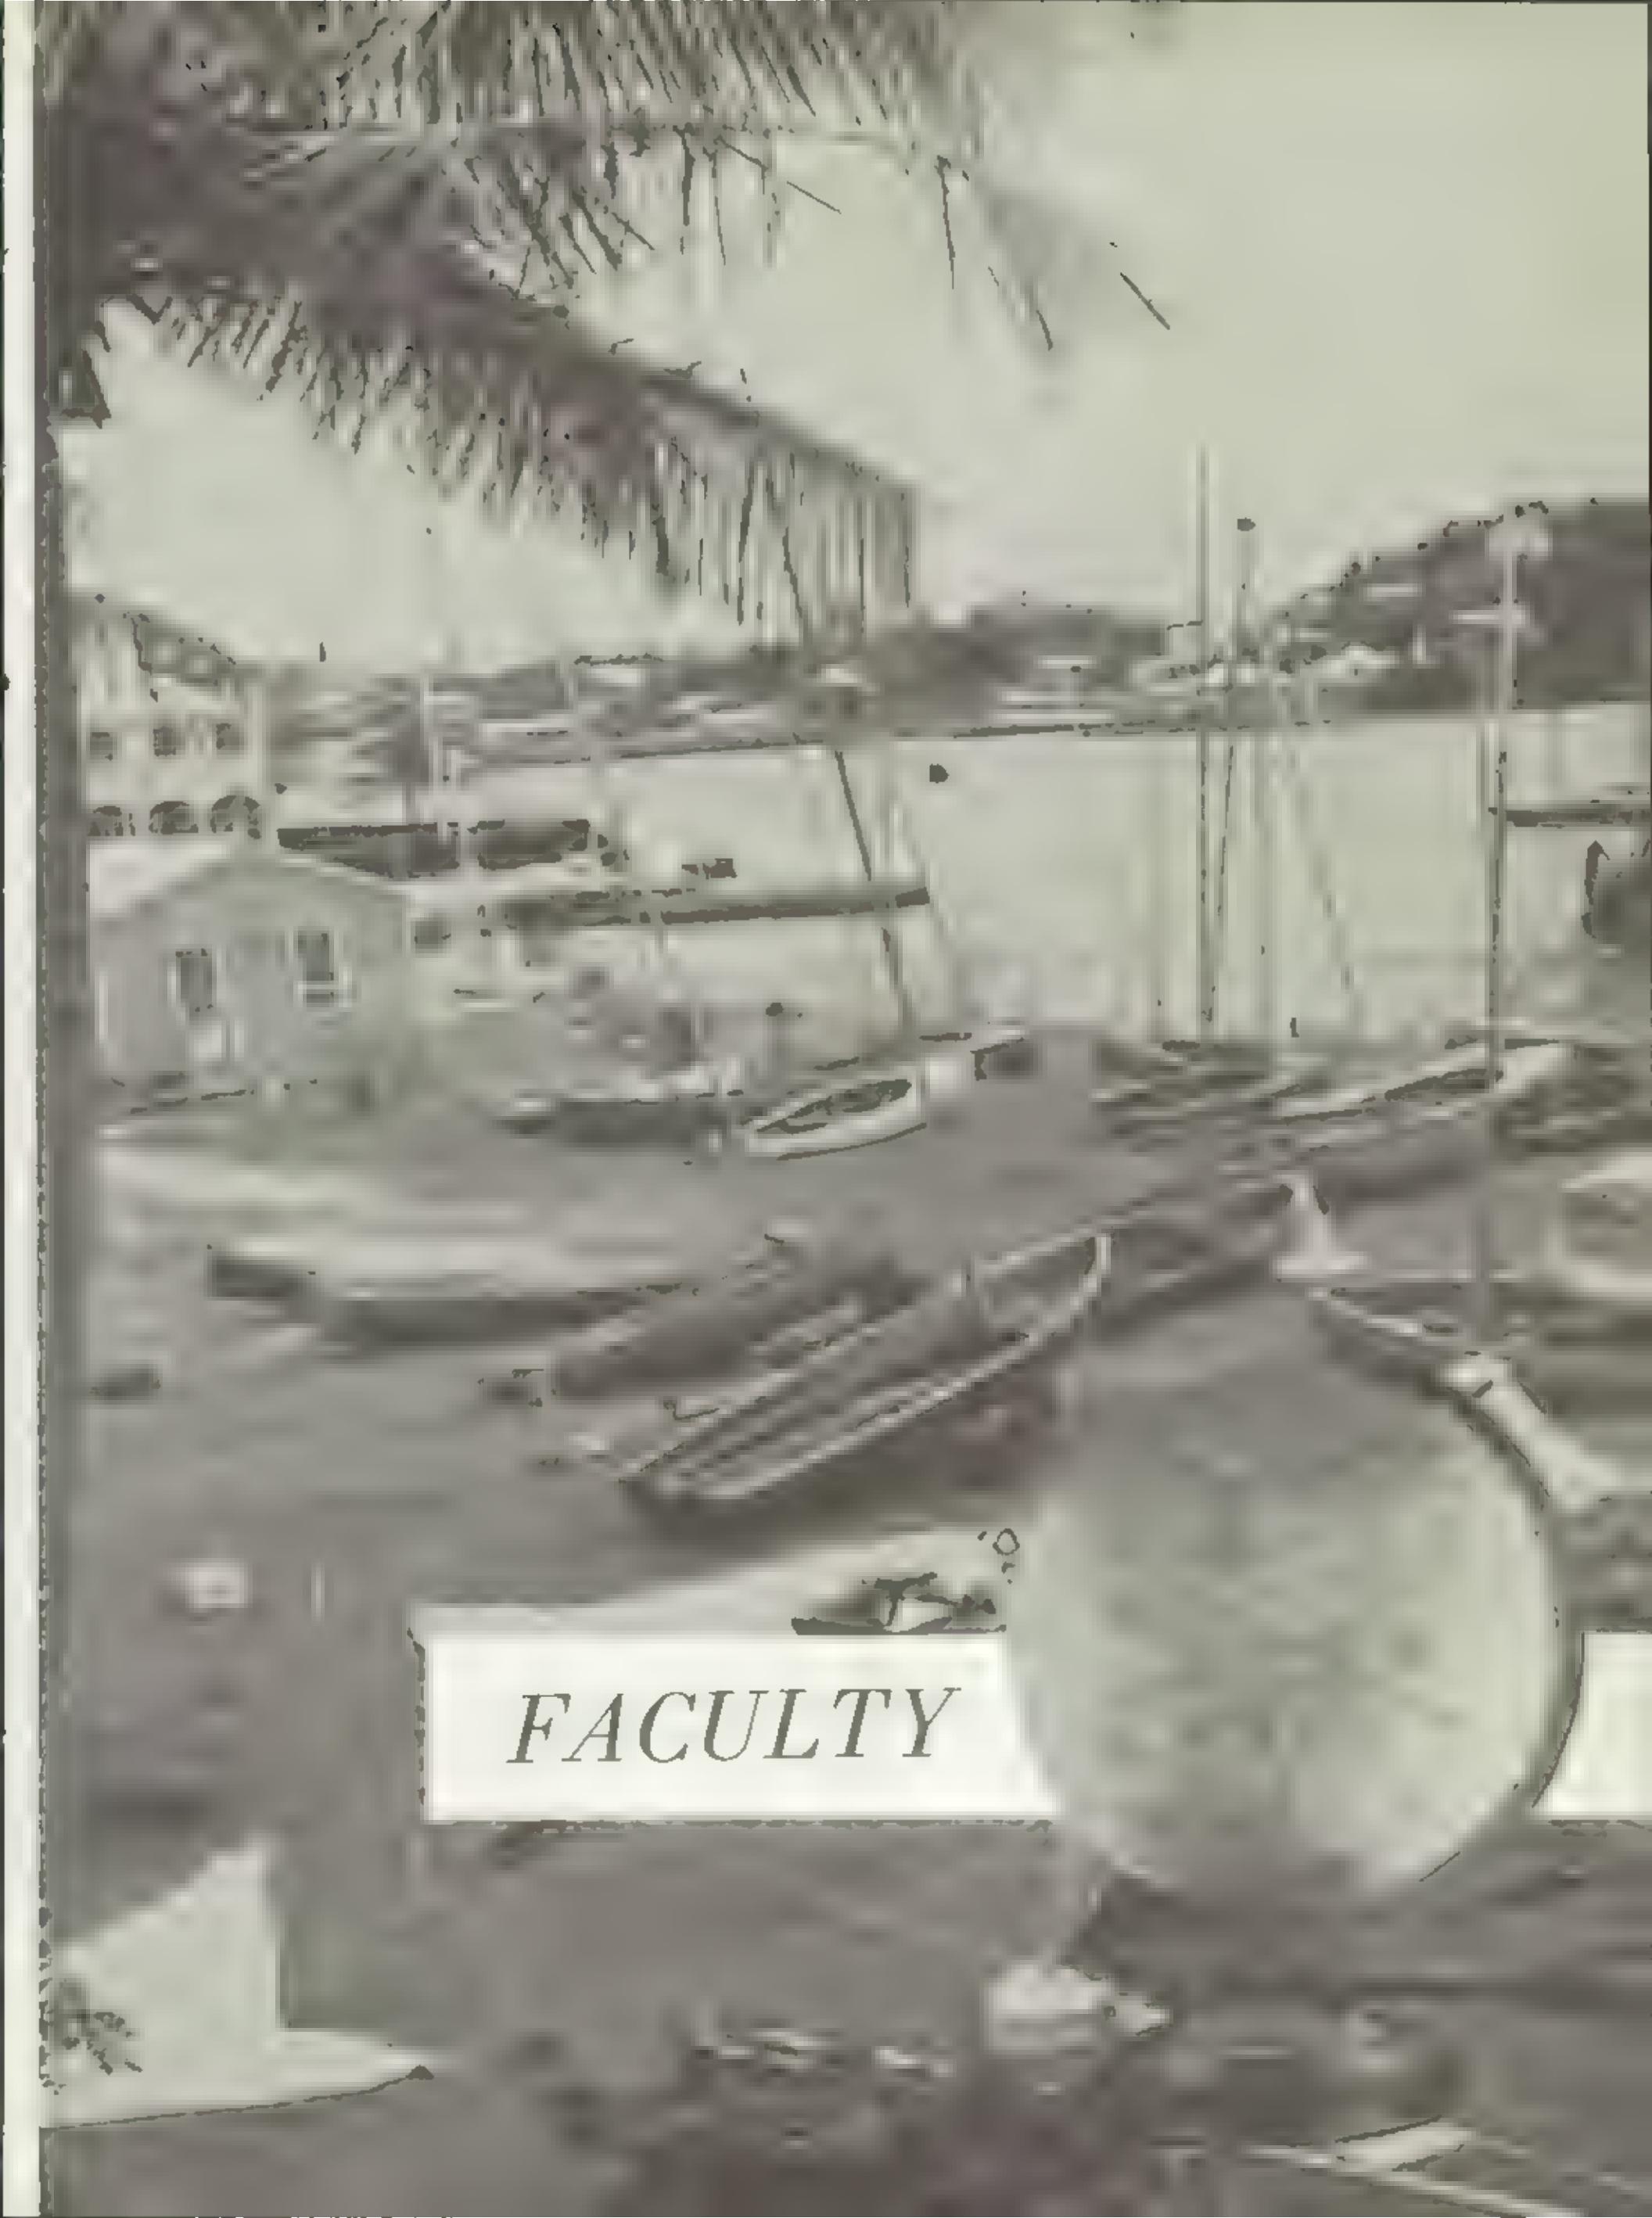

I am grateful for the co-operation of students, faculty, parents, and the community.

May I thank the Lafayette Parish School Board, the Superintendent and his entire staff for the co-operation, leadership, and inspiration given us.

On behalf of the faculty and student body, I want to commend the annual staff for this publication and want to wish the 1960 graduates a very successful future. May God bless all of you.

Sincerely,

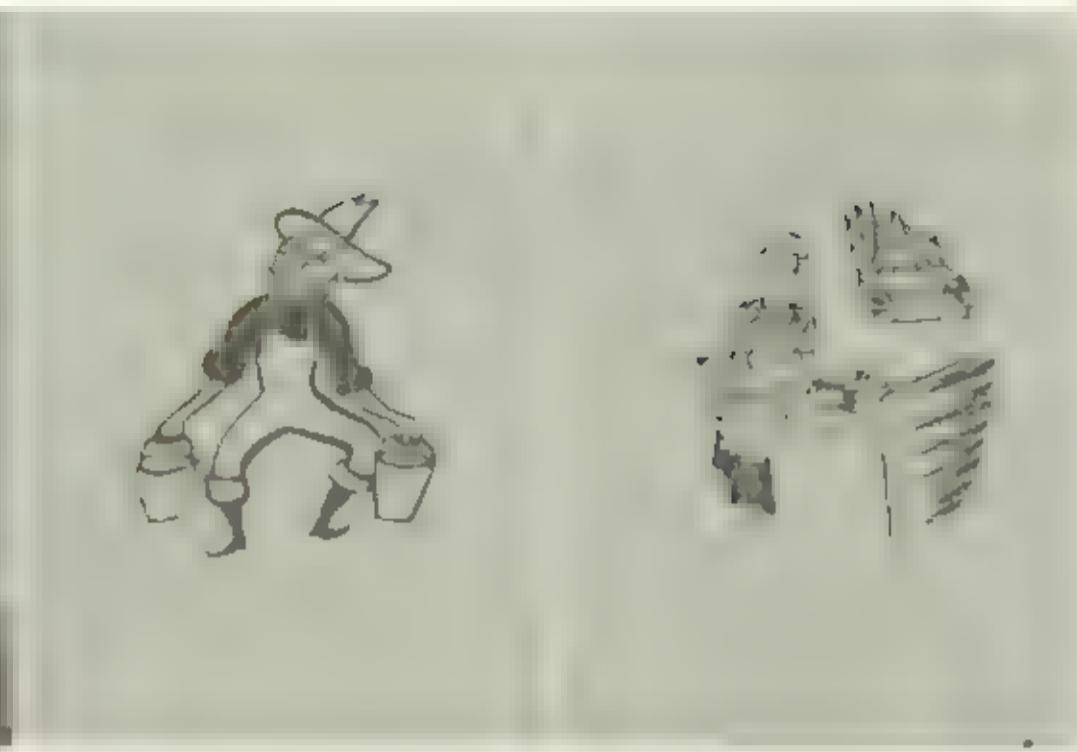

Paul Broussard
